RULES AND REGULATIONS

- 1) The Eganville Farmers' Market (EFM) is producer-based and was established to provide fresh, local items to customers and to provide an opportunity for local producers to sell their products. Vendors are strongly encouraged to use locally produced ingredients whenever possible in their products.
- 2) Vendors may be allowed to "re-sell" products (i.e. products they did not produce) in special circumstances and only with approval from the Market Committee. This may apply in situations when products are not locally available or when products are sold for the purposes of market fundraising. The Committee will primarily consider whether or not the re-sold products help to make the EFM viable and whether products are suitable for the market.
- 3) Your stall cannot be sublet or otherwise assigned or used by persons other than those named on the application. The person signing the application or his/her representative must be present during the rental period. Violation of this renders the vendor's application null and void and the vendor forfeits the right to sell at this market.
- 4) All Vendors **MUST** notify the market organizers when they would like to attend. This should be done a week in advance to ensure that space is allowed and that the required ratio of farmers – non-farmers is maintained.

- 5) Vendors must adhere to Municipal, Provincial and Federal Regulations regarding labeling, measures, health and safety etc. for all products offered for sale at the market. Awareness and compliance is the responsibility of the individual vendor and not the Eganville Farmers' Market. New regulations occur frequently – contact your governing body for updates.
- 6) **Vehicles cannot enter the market area after 1:45 pm or leave before 6:00 pm.** This is a safety concern for the people visiting the market and other vendors. If a vendor has not arrived by 1:45 pm, set up is permitted but

without the use of a vehicle. Caution must be exercised at all times when operating a vehicle in the area.

- 7) All vendors are expected to be open and ready for sales at market opening time and stay until closing time. If you sell out, post a "Sorry Sold Out" sign on your table and return at the end of the market to remove your table and clean up your stall.
- 8) Sales should not begin until the opening bell has rung. This will allow adequate time for set-up prior to the beginning of sales.
- 9) No vendor may practice "flea market-type" pricing or offer discount pricing at the end of the day. The market is committed to supporting fair value for top-quality products all day.
- 10) The vendor must remove all garbage or waste material on or around the rented space and the space must be left as it was on arrival. **This includes scraps and trimmings from produce.** The grounds should be left ready for the next user.
- 11) Alcoholic beverages are not permitted on the grounds. Smoking is not allowed in vendor stalls.
- 12) Live animals are not allowed in vendor stalls. Guide dogs excepted.

Vendors must fully comply with the Rules and Regulations as set out in this document. Vendors who do not comply with a rule will be notified in writing regarding how they are not in compliance. If 2 notices have been given and the vendor does not comply, the third infraction will result in a letter of termination.

ADDITIONAL INFORMATION FOR VENDORS

- 1) Shelter, tables, chairs, displays, etc. are the responsibility of the vendor. Provision to secure these items from extreme weather are also the vendor's responsibility. There are **NO** blocks, spikes, ropes, etc. provided.
